### **Brief description of the group's activity:**

*Project Fashion is Ireland's leading fashion design academy for kids. Students will be taught to sew in a creative environment. They will receive class notes and information on fabrics and designers. We provide sewing machines for the classes which are easy to use and are all the same brand, Janome, which are equipped with finger guards. Students are welcome to bring their own machines to class also. New starters will learn all about sewing machine safety and basic operation. Students will receive Project Fashions grading certificates on completion of each syllabus. Once they have received their certificates, they will join the rest of the group in more project-based workshops.*

**Days and times the group will meet at Mounttown:**

*Mondays 3:30pm – 5:00pm*

**Additional information:**

*Project Fashion will hold their young Designer of the Year Awards on June 13<sup>th</sup>, 2020 in Jam Park, Airside Swords in aid of Make a Wish Foundation, with Jennifer Zamparelli as our host for the night. All our students nationwide will come together on the night and walk the runway in their own designs*
