**Age profile catered for by the group:**

Children from the age eight and upward

**Brief description of the group's activity:**

Searsol provides high-quality touch typing classes for children from the age of 8 and upward. Searsol's tutor is highly professional and delivers the course in a positive environment. Each student works at their own pace and learns the skill of touch typing using Searsol's own uniquely developed programme. Searsol's typing classes suit children with a learning difference such as Dyslexia or Dyspraxia (DCD) or struggles with handwriting that need to learn how to type for their exams. Why not experience the course first-hand yourself? Take our First session free trial; click [here](#) to avail of this offer.

**Days and times the group will meet at Mounttown:**

Thursday 3:30 pm or 4:30 pm in Mounttown Community Centre.
