

dlr BABIES LOVE BOOKS

BABIES LOVE BOOKS is a book gifting scheme brought to you by dlr Libraries. Every child born in the county of Dún Laoghaire-Rathdown is entitled to collect their free book bag at their local library. Your public health nurse will give you an invite at your baby's 9 month check-up. Ask at your local health centre if you haven't already received your invite. **BABIES LOVE BOOKS** encourages parents and children to read together from birth. Sharing books and stories with your child has lots of wonderful benefits and it is never too early or too late to start!
